

Verification of NNA Signing Agent Credentials is available online at SigningAgent.com

Downloadable certificates are not provided

- Downloadable certificates can be stolen, counterfeited or altered by a dishonest third party.
- It makes the [credential-verification process](#) easier and more secure for NSAs, lenders, title companies and signing services.

How to provide proof of your Signing Agent Certification to title companies and signing services:

- Send them a direct link to your SigningAgent.com profile, located in the [My Signing Agent Profile](#) section of NationalNotary.org.

The NNA has informed title companies and signing services how to verify NSA Certification at SigningAgent.com.
