

# Verification of NNA Signing Agent Credentials is available online at [SigningAgent.com](https://SigningAgent.com)

---

## Downloadable certificates are not provided

---

- Downloadable certificates can be stolen, counterfeited or altered by a dishonest third party.
- It makes the [credential-verification process](#) easier and more secure for NSAs, lenders, title companies and signing services.

### **How to provide proof of your Signing Agent Certification to title companies and signing services:**

- Send them a direct link to your [SigningAgent.com](https://SigningAgent.com) profile, located in the [My Signing Agent Profile](#) section of [NationalNotary.org](https://NationalNotary.org).

The NNA has informed title companies and signing services how to verify NSA Certification at [SigningAgent.com](https://SigningAgent.com).
